Joke of the Month

I am trying to make friends outside of Facebook while applying the same principles. Therefore, every day I walk down the street and tell passers-by what I have eaten, how I feel at the moment, what I did the night before and what I will do later and with whom.

I show them pictures of my family and my dog, me gardening, watering the lawn and taking things apart in the garage. There are pictures of me standing in front of landmarks, driving around town, having lunch and doing what anybody and everybody does every day.

I also listen in to their conversations, give them the 'thumbs up' and tell them I like them.

And it works just like Facebook! I already have four people following me: two police officers, a private investigator and a psychiatrist.
