Kieth Goodchild is presented with his Life Membership certificate by club Chairman Bill Kitchin. Kieth is the longest still active serving member and filled many capacities at the club as well as being a regular demonstrator.

The August meeting was a "hands on" evening and concentrated on a correct way to make a tenon to hold a box so it can be shaped both internally and externally.

Following this session I have been advised to warn members of the dangers of letting Stan Tyrer use their parting tool. Stan is of course our respected Health and Safety officer.

### Name Badges

In order for members to be able to identify each other, especially newer members, a clip badge has been provided to be worn during meetings. It would be helpful if each member could collect their badge when paying monthly sub and return at end of meeting.

Following the July demo of boxmaking by Stewart Forbes the August competition was for a box of the members choice. Once again there was a good selection of entries in both categories.

Winners were:-

- 1st Dave Mackin (centre)
  - 2nd John Waddington (left)
  - 3rd John Gray (right)
