Apologies first of all to Jesse Butterworth who did the demonstration at the September meeting and not Martin Payne as stated in the newsletter. Can it be noted that Martin made no useful contribution whatever.

The October demonstration was conducted by Keith Goodchild who produced a number of items turned between centres using spindle gouges and the "feared" skew chisel. These can be seen below.

On the left is a stool leg whilst on the right is a chair "stretcher". Centr top can be seen a light pull and centre bottom a delicate lace bobbin. Thanks to Keith

Name Badges

In order for members to be able to identify each other, especially newer members, a clip badge has been provided to be worn during meetings. It would be helpful if each member could collect their badge when paying monthly sub and return at end of meeting.

Don't forget the North of England Woodworking Show 15th to 17th November at the Great Yorkshire Showground Harrogate.

No Competition

On nights when hands on involvement is required chairs will not be put out.

Entries for the October competition were down from recent months. Maybe "off centre" turning put some people off.

The A category was won by Bill Kitchin with a three dish platter. Second was Granville Haworth with a goblet and third Gary Brown with a candlestick. There was only one entry in the B section, an attractive goblet by Arnie Gray.

All these can be seen below.
