June Meeting

An evening of how to finish your turning. Dennis Moseley showed his way of finishing pens and as he pointed out these were his methods and not the only ones. A very comprehensive demonstration. Dave Mackin then showed the results you can get using buffing. He explained and demonstrated the different compounds used and the results you can obtain. Thanks to Dennis and Dave.

Joke of the month

Not really a joke but did you see the form that an 80 year old lady was ask to fill in at her doctors. In sex she had the choice of: male (including trans man), female (including trans woman), non-binary, two-spirit, third gender, transgender, agender, bigender, cisgender, gender expression, gender fluid, gender queer and gender variant, other (not listed) or not stated. The lunatics are now running the asylum.
